

ESG Investing – Is It Sustainable?

ESG is a grey area. We often need to think outside the box and explore potentially controversial sector to find sustainable investments. How can we find companies that outperform their peers on quality and ESG characteristics? We will take a practical example to show the nuances of ESG.

Petra Daroczi ESG Investment Analyst Comgest

Petra Daroczi joined Comgest in 2021 and is an ESG Analyst and Portfolio Manager responsible for ESG coverage of the U.S. and Europe. She meets and engages with company management alongside the firm’s investment Analysts and prepares in-depth ESG reports. Prior to Comgest, Petra joined Aberdeen Standard Investments in 2019 as an ESG Investment Analyst, responsible for integrating ESG assessment in fixed income research and leading the engagements in the APAC region. She previously worked for Thomson Reuters in their Singapore office as an Account Director and ESG Ambassador, and before that held diverse roles such as Field Sales Associate, Consultant and ESG & Asset Management Specialist in their London office. Petra graduated with a Bachelor’s degree in Business Studies from Cass Business School (UK) and a Master’s degree in European Business from the ESCP Business School (France). She is also a CFA® charterholder and holds various ESG-related certifications including, “Climate Change: Financial risks and opportunities” (Imperial College Business School, UK), “Sustainability and Climate Risk” (Global Association of Risk Professionals) and “Basics of Organizational GHG Accounting” (Greenhouse Gas Management Institute).
