SMEs in Transition – Small Companies but huge Investment Opportunities in Europe

Thomas Duteil

Partner and Co-founder

This workshop is centered around understanding the critical need to success the management and capital transmission of SME in Europe and how PE funds can offer attractive solutions. Learn how the transition phases within SMEs from family-owned businesses to scalable growth models, ensuring stability and long-term success is handled from the perspective of an PE investor. Look at the successful search-fund model in the US, dive into case studies and best practices from seasoned investors who have successfully navigated the complexities of this dynamic environment resulting into remarkable exit opportunities.

Before co-founding Trajan in 2018, Thomas was a Director of the Mid-Cap team at Andera, a French leading PE fund. He began his career in London at STAR Capital Partners. Thomas graduated from HEC Paris with a major in Entrepreneurship.
